

Michigan Is Getting Back On Track!

We're on the edge of a new era— quality rail transportation!

Find out more about three exciting projects that, a few years ago, would not have even seemed possible.

Kirk Steudle, MDOT Director

Ann Arbor/Howell Commuter Train:
Conan Smith, Washtenaw County Commissioner

Detroit's Woodward Rail Line:
Megan Owens, Transit Riders United

Traverse City State Representative Wayne Schmidt will be on hand to answer questions.
